ADVISORY PLAN COMMISSION SUMMARY

Meeting Date: January 26, 2026

Meeting Recording Link (Regular Meeting): [N/A](#)

The January cases were moved to the February 23rd APC meeting. The meeting was cancelled due to the weather.

To: Park Authority

From: Amber Lane
Parks Director

cc: Deb Cook
Town Manager

Date: February 5, 2026

Park Operations Executive Summary

January operations focused on proactive winter maintenance, trail corridor safety, environmental restoration preparation, and facility upkeep. These efforts improve long-term asset management, enhance safety and accessibility across the park system, and position key amenities and natural areas for the upcoming spring and summer seasons.

Trail & Natural Resources Management

- Tagged trees along the B&O Trail (Ronald Reagan Pkwy to CR 900) in preparation for invasive species clearing operations.
- Cleared debris from Hornaday Rd to CR 300 to support habitat restoration efforts and improve mowing and maintenance access.
- Removed outdated wooden log bollards along the B&O Trail.
- Removed unused U-channel sign posts along the B&O Trail to reduce hazards and improve corridor aesthetics.

Facilities & Asset Maintenance

- Descaled additional splash pad features to extend equipment lifespan and maintain operational readiness.
- Pressure washed the Stephens Park shelter due to some paint left behind by a park user.

Infrastructure & Operations Improvements

- Repaired fence damage along the White Lick Creek Greenway caused by a fallen tree.
- Installed additional stone in maintenance shop areas to improve drainage, functionality, and durability.

Winter Operations & Weather Response

- Logged **93 staff hours** clearing snow and ice on **street plow routes 6 and 8**, as well as within **parks and along trails**, supporting safe travel and continued public access during January weather events.

Outdoor Classroom New Play Feature

The Town of Brownsburg Parks recently installed a new Play & Learn College in the Outdoor Classroom of Williams Park, made possible through a grant from the Parks Foundation of Hendricks County. A brief ribbon-cutting ceremony was held with the Parks Foundation and donors to celebrate the addition. Staff are excited to begin using this new feature in both existing programs and future nature-based offerings. The Play & Learn College will enhance hands-on learning, imaginative play, and outdoor education opportunities for preschool and youth programming moving forward

Post-Event Summary – Brownsburg Parks Events

Little Sprouts

Both sessions of **Little Sprouts: Snowy Science** were full this month, with preschoolers exploring the science of winter through hands-on activities. Littles followed the journey of a snowflake, got their wiggles out during a winter freeze dance, tried their hand at ice fishing, and explored snowy sensory bins. The favorite activity of the day was the iceberg hop, which brought lots of excitement and movement to the session.

MEMORANDUM

Department of Development Services

Date: 02/06/2026

To: Deb Cook, Town Manager

From: Lauren Bouslog, Planner I

Subject: Parcel North of 56th St Meijer- Proposed PUD Development from CRG Residential

This is an informational item only; no action is expected or required of the Town Council. In keeping with a policy of introducing rezone proposals to Council prior to the public hearing at the Advisory Plan Commission, staff would like to share an overview of a proposed multifamily project that includes a commercial site on the southwest portion of the property.

The location of this proposed project is the Lee property, a 25-acre parcel located directly north of the new Meijer grocery store development (Parcel ID: 32-08-06-300-001.000-015). The Lee property is bordered by N CR 900 E to the west and the Ronald Reagan Parkway to the east. A map of the site has been included with this memo.

The applicant, CRG, last proposed a development for this property back in August 2024. CRG and the property owner would like to re-introduce a revised plan for PUD zoning consideration along with an annexation of the property into the Town of Brownsburg. The site meets town requirements for annexation. The updated plan consists of 10 multifamily buildings with 272 total units, all of which are 1-bedroom (53%) and 2-bedroom (47%) units. The applicant has reduced the density by 30 units. The plan presented in August 2024 had proposed 302 units. In addition, there are a combined 496 total parking spaces which consist of both covered and surface parking. On the southwest portion of the property, adjacent to one of the Meijer commercial outlots, CRG is proposing a 5,400 s.f. commercial building that will be marketed for build-to-suit or lease. Possible uses for this commercial building could include medical offices, coffee, fitness, etc.
